HYMNS FOR MULTIPLE INSTRUMENTS

Published in mid-sized (8-1/2 x 7) format, **Hymns for Multiple Instruments** are constructed in three stave systems to make available *melody, harmony, obligato, and countermelody lines*. These arrangements of well-known hymns are designed to be used for church, school or individual performances indoors or out and can be adapted for band, orchestra, woodwind, choir, brass choir, or string ensemble. As few as three parts will make a viable trio, and trios will sound complete with the melody, obligato, and countermelody with , or without, keyboard instruments.

The following chart identifies part distribution possibilities by book number for each instrument.
