

What's so special about *Heritage*?

The *Heritage* Conductor Score/Teacher's Manual by Rick D. Townsend has the following and more:

- A complete alphabetical listing of tunes and exercises by page number for both the student's book and score-
- A complete stylistic listing, categorized by: Chorale, Classical, Gospel Song, Holiday Songs, Hymns, Liturgical, and Spirituals, as well as Technical Exercises (Rhythms, Articulations, Dynamics, Scales and Intervals)-
- A complete listing of activities, devotionals, special reports, name games, and background sketches of compositions and composers-
- And, much, much more!!!

The Keyboard Accompaniment Book:

- The *Heritage* series boasts a unique feature in that the **keyboard accompaniment book** serves as a *bona fide accompaniment* for the 90 tunes that are used in this **Method Book Supplement**. By getting both a wind or melody percussion book with a keyboard accompaniment book you have a large collection for the beginning instrumentalist.

The French Horn Book:

- The left hand page is for the *Horn in 'F'* to work in the band ensemble setting-
- The right hand page is for the *Horn in 'Bb'* to work in the private setting for easier range-

The Percussion Books:

- The *Snare Drum* and *Bass Drum* are on the left hand page while the *mallet* instruments are on the right hand page for better concentration, yet allowing for shifting back and forth to different instruments without having to change books-
- The *Timpani* and *Auxiliary* parts are combined to make an easier transition between instruments depending on the color called for-

The Brass Band Books:

- Books are published for: 'Eb' Horn; *Treble Clef Trombone*; 'Bb' *Treble Clef Tuba*; and, 'Eb' *Treble Clef Tuba*, facilitating those brass band training programs that want to take advantage of *Heritage*!

The purpose of *Heritage* is to keep the mind alive as to the great songs of the past...

Students enjoy *Heritage*; it's refreshing!!!

Besides, do you know what a virtuousolympics is?

Gospel Songs, Hymn Tunes, Liturgical Melodies,
Spirituals, Classical Tunes, Rhythm & Scale Exercises---

Book I has over 170 Songs and enrichment exercises in all.

Book II has 126 tunes- many of them duets or trios!!

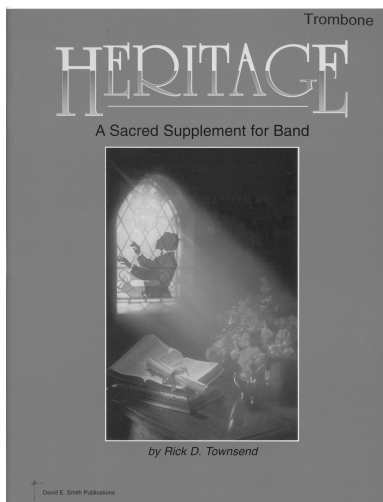

"We have used *Heritage* to teach phrasing, ensemble, and intonation skills to young instrumentalists. We use a good method book to properly establish the basics, and *Heritage* to further develop musicianship."

Eric Woods, Instrumental Director- Bob Jones Academy

"*Heritage* is proving to be a tremendous addition to our curriculum. It has a wealth of solos that may be used for chapel, church, classroom, or Sunday School. Our parents appreciate having the tunes in *Heritage* which can be played within the first few weeks."

Daniel E. Stockton, Director of Bands- Temple Baptist Academy

Heritage is an endorsed product, listen to what they say!

"I have seen and am very familiar with *Heritage*, and highly recommend it as a sound pedagogical supplement to any beginning band Method. I am particularly impressed with the Christian material and with how it can be used; not only to improve one's musicianship, but also to edify the student and teacher."

Bruce Pearson, composer- **Best In Class** & **Standard of Excellence**
Comprehensive Band Methods
